

Coordination of Benefits

What's Coordination of Benefits?

Coordination of Benefits (COB) is when two insurance plans work together to pay claims for the same person. This occurs when you or your dependents are covered for benefits under more than one insurance plan. Please update your coordination of benefits Call your insurance company listed on your ID to update your COB. For your convenience, please see below a list of common insurances.

Aetna	1-800-872-3862
